

Family & Parent Support

Additional Suggested Topics

Item Fx.3 states to provide information and materials to educate and inform families on five (5) issues identified in the community Parent Survey* and from additional suggested topics*.

Listed below are topics to consider in addition to those identified in the Parent Survey:

- Early Learning Guidelines
- Common Core Curriculum
- Ages & Stages of Development
- Healthy eating
- Children's exercise and fitness
- Identifying and dealing with behavior issues
- Active grand-parenting
- Speech and Language development
- Children's travel safety (car seats, vacationing, evacuations)
- Home safety and childproofing
- Social and Emotional development
- How to read to your child from birth to school age
- At-home educational activities
- Addressing special needs
- Building math skills
- The importance of fostering artistic and musical abilities
- Technology and TV guidelines
- The importance of play / providing "engaging" toys
- Choosing childcare: From babysitters to preschool
